Youngest Manson Family Follower Denied Parole, Seeks Court Intervention

Featured Story

Leslie Van Houten, the youngest member of the "Manson Family," has been recommended for parole three times. But like the previous two bids for freedom, the latest attempt was blocked by California's governor. The now-69-year-old Van Houten's attorney is pursuing a different tack: an intervention from the court system.

Prosecutor: Father Who Killed Kids Is Selfish, Evil Man

Thumbnail

Timothy Jones Jr. was a selfish, evil man who wanted to inflict revenge on the mother of his five children and tried to hide their bodies after killing them, a prosecutor said Monday in closing statements in his death penalty trial. But the South Carolina man's lawyers say all of that came from the broken brain of a man with undiagnosed schizophrenia.
